- Kind and helping
- Parents are always welcome at this school
- We are happy with the support our child is getting
- ***** is unhappy coming in to school but I am discussing this with her teacher today. I am very happy with the school
- My child is not enjoying school very much at the moment but I have every confidence this will be sorted like it always has been before
- The office staff are great!

One thing to make school better

- A better range of sports activities after school
- More notice of events especially monetary ones
- Some sort of first aid course/CPR for the children
- On the whole the children's behaviour is great and the classes get on well However there some disruptive pupils who seem to create issues and let the school down
- More notice of events etc
- More feedback/communication on developing
- School discos
- Try and get more parents involved to be able to host discos and other events
- Come out on time x 2
- Alfie says more Maths
- It's fab as it is
- More stuff in the playground
- Change the way homework is set would prefer spelling or maths rather than activity sheet as each child has different levels of understanding and ability
- More after school clubs
- Nothing it's great
- Nothing I love it
- Better parking and discipline of parents dropping off/collecting sometimes v dangerous parking
- Breakfast club
- More Homework says Olivia -
- More sports clubs regular football practice etc
- Help with crossing to school, extremely busy with cars
- Nothing the school is absolutely amazing with my children
- Free breakfast club
- Homework to be on the school app especially for Year 6 as they tend to forget it , left in tray over the weekend
- Communication between parents and teachers
- No room for improvement
- More PE lessons
- Communication - I feel some things are announced last minute like fancy dressing/non uniform seems to have been announced with only a day or two notice in the past.
- Competitive sport's day
- Less apps
- Bullying
- Parental engagement - limited information on progress or issues maybe due to everything being good. However more regular feedback interaction would be welcomed.
- Free fruit
- More homework
- Communication between teacher and parent
- Smaller classes
- More social events to encourage child/parents
- Smaller classes especially Nursery
- Too much homework/work at home (but we do have 6 boys 7 and under)
- Communication - received reminders via the app but never received information beforehand from school such as non uniform day first I knew was the reminder
- Communication verbally
- Targets set for children in English and Maths to meet by the end of the year
- Communication directly with parents
- Push and made adaptations for children with SEN
- Give more homework
- More non sport after school clubs
- More use of Dojo app
- Better communication between staff/teachers and dinner ladies
